Note that in computing these ratios contract employment serving the establishment is excluded. The cost of contract work payroll for the Natural Gas Liquids Industry.

Represents establishments with zero or negative value added; establishments with no employees; and for number of employees separately reported central offices and related facilities.

Not shown since cost of supplies, purchased fuels and electricity, contract work, and purchased machinery exceeds value of expenditures.

in 1963 amounted to 56 percent of the and payroll, includes figures for shipments and receipts plus capital
